## Help for non-English speakers

If you need help to understand the information in this policy please contact the office on 52484885

## PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

## SCOPE

This policy applies to all teaching and non-teaching staff at Geelong East Primary School, including education support staff, casual relief teachers and visiting teachers.

## POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. [Supervision should be undertaken in a way that identifies and mitigates risks to child safety.](#)

### Before and after school

Geelong East Primary School's grounds are supervised by school staff from 8:35 until 3:30pm. Outside of these hours, school staff will not be available to supervise students.

Before and after school, school staff will supervise the front asphalt area of the school to ensure safety of all children.

Parents and carers will be advised through SeeSaw and Level newsletters about before and after school supervision ensuring that they should not allow their children to attend Geelong East Primary School outside of these hours. Families will be encouraged to contact Camp Australia on 1300 105 343 or visit <https://campaustralia.com.au/contact-us> for more information about the before and after school care facilities available to our school community.

[If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school

- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### Yard duty

All staff at Geelong East Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Geelong East Primary School, school staff will be designated a specific yard duty area to supervise.

### **Yard duty zones**

The designated yard duty areas for our school as at 1 July 2022 are

<b>Zone</b>	<b>Area</b>
Zone 1	Oval - includes 5/6 playground and 3/4 toilets (canteen on open days)
Zone 2	Courtyard and basketball court
Zone 3	Prep/1/2 area and 3/4 Playground (includes front and south side of school)

## Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the 5/6 area and delivered at the start of the first duty at the two breaks
- carry the yard duty recording book and first aid bag at all times during supervision. The yard duty first aid bag will be attached to the folder and restocked regularly
- Be familiar with the yard duty information pack containing student health and safety information stored inside the folder
- Students walking with the teacher are not to hold yard duty folders as they contain private information

Yard duty equipment must be handed to the students in 5/6 who collect the folders.

## Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone [ensuring active supervision of all students](#). This includes moving in a circular direction around the oval.
- Courtyard supervision includes visiting both sets of toilets at least twice during the duty
- [where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and asking if they have a visitor pass and have signed in \(excluding drop off and collection periods\)](#)
- ensure students remain in their designated year level playgrounds
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate in the Yard Duty Book, on Compass – if it requires further follow up

If being relieved of yard duty shift by another staff member, the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should

send a message to the Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### Classroom

The classroom teacher is responsible for the supervision of all students in their care during class. If students ask to go to the toilet this must be recorded in the toilet book kept in each room. Children in junior grades must go in pairs. All students use internal toilets during school time.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Assistant Principal for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

### School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved (as noted on risk register), [and will follow the supervision requirements in the Department of Education and Training Excursions Policy.](#)

### Digital devices and virtual classroom

Geelong East Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Geelong East Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in common areas by staff.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored by the classroom teacher
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

### Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

### Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

#### Other areas requiring supervision

All students will be closely supervised moving from classrooms to different areas of the school.
